**Approved ICES SC2 Meeting Minutes
Dublin Castle, Ireland
24 June 2005**

Meeting called to order by Chairman Ric Tell at 14:08.

Each of those attending introduced themselves. A list of those attending is attached.

The minutes of last meeting were distributed prior to the meeting by eMail. Jules Cohen commented that section 5.2 should have the word "include" after the word "discussion." It was moved/seconded/carried to accept the minutes as revised.

Old Business:

Chairman Tell summarized the results of the recent IEEE ballot reaffirming the IEEE Standard C95.2 – Of 27 members in the balloting group, 24 ballots (88%) were returned, all returned ballots were positive (100% voting to approve). The reaffirmation was ratified by the IEEE Standards Board at its 9 June 2005 meeting. It was noted after this approval that several comments had been received with the balloting.

Discussion of comments:

revision vs. reaffirmation

discuss changes for next revision.
